Architect Job Vacancy

WRIGHT & WRIGHT ARCHITECTS

We are seeking a talented Architect to work on cultural and educational buildings.

The office is currently working on projects for St John's College, St Edmund Hall and Oriel College Oxford, The British Academy and Lambeth Palace.

We are looking for someone with experience and commitment to quality of design and detailing but the most important factor is that they fit with our office ethos. The practice is a friendly, cooperative environment and we do not work long hours generally. We have a profit share scheme and pre-Covid provided office lunches, which we hope to reinstate soon.

The successful candidate will demonstrate an understanding of and empathy with our design approach. They will be able to work as part of a team but also with self-direction and initiative, displaying a strong commitment to the job and a willingness to go the extra mile when necessary.

The following attributes are required:

Exceptional technical experience and CAD skills
Excellent communicator and ability to work within a team
Talented designer
Excellent knowledge of construction and detailing

If you are interested, we would like to hear from you.
Please email a cover letter, your CV and brief portfolio.

We are an equal opportunities employer.
We will consider flexible working but also expect a regular presence in the office.
We operate the profit share scheme at the Partners discretion.
